3. This investment in the program should lead to broad and long lasting benefits to the community;

and

WHEREAS, on May 20, 1999 the Committee reviewed the twenty-three applications submitted, rated them on a scale of 0 to 5, and recommended funding three proposals with a rating of 5, without hearing presentations, as well as hearing presentations from eleven other agencies regarding their applications, which had ratings from 2.8 to 3.5; and
